

Morgan Stanley

# What Will You Create?

Morgan Stanley is a global financial services firm and a market leader in investment banking, securities, investment management and wealth management services. As a market leader, the talent and passion of our people is critical to our success. Together, we share a common set of values rooted in integrity, excellence and strong team ethic. Morgan Stanley can provide a superior foundation for building a professional career - a place for people to learn, to achieve and grow. A philosophy that balances personal lifestyles, perspectives and needs is an important part of our culture.

We are currently looking for a

## **Revenue Reporting Controller (Equities) Intern**

For our Client Reporting Team within the Finance Institutional Securities Group

**Location:** Budapest office

**Start date:** Spring 2018

**Contract:** 20/30 hours-a-week contract (flexible)

**Duration of program:** 6 months

The **Client Reporting Team's** overall role is to provide guardianship and control over client and sales data. Client reporting is a key component of P&L as represented by Commission and New Activity and has an important role in the analysis and direction of Firm strategy and performance. The team provides a range of reports both tactical and strategic to support senior Finance and Business Unit management in their decision making. The successful candidate will produce a variety of Business Unit Reports and analytics.

We are looking for interns in the **Client Reporting Team** with the following skills:

- Ongoing University studies of Finance/Accounting or related fields
- Advanced user knowledge of Microsoft Excel
- Strong analytical skills
- Excellent problem-solving skills and ability to work for tight deadlines
- Strong communication, good command of spoken and written English
- Good team player - ability to work effectively with colleagues to meet a common goal

### **Primary responsibilities:**

- Production of daily, weekly and monthly business and client reports and analytics
- Variety of weekly and monthly sales bookings and calculations into Client Reporting system
- Responding to ad-hoc reporting requests as requested by London finance teams and the sales teams - Requests will be for the Business Unit from desk heads and salespersons

### **Application:**

If you are interested in the above opportunity, please apply by uploading your English CV [here](#).

Although application deadlines are in place, candidates are advised to apply early as we recruit on an ongoing basis.
