

**DATAEXPERT IS THE LARGEST INDEPENDENT DATA PROCESSING COMPANY
IN CENTRAL EUROPE.
OUR HEADQUARTER IS LOCATED IN DEBRECEN.**

A successful candidate may come from various backgrounds and education.
The job we are offering is versatile and several disciplines can contribute to your success.

DATA ANALYST

You may be a good fit for this role if you:

- have a **degree or experience** in IT, economics, sociology, finance or a similar/related field
- are a confident user of **MS Excel, MS PowerPoint**
- have good **analytical skills**
- are willing to **learn and constantly develop** yourself
- are able to **communicate in English** both verbally and in writing

Experience with databases, statistical tools (e.g. SPSS) and object oriented development is an advance but not essential.

Our main responsibilities include:

- building **online surveys** with DataExpert's specialized toolkits
- **custom development** for clients' request
- digital **data processing** for analysis
- preparing **graphs, charts, reports**, based on research plan
- keeping in touch with **client** representatives

Why work for DataExpert?

- Challenging and varied international projects
- Continuous professional trainings and English lessons
- You can be part of a young and supportive team
- Attend international meetings
- Opportunity for fast development and career
- You can use the newest technologies
- Join our football team every Thursday
- Take part in our several charity actions

Location: Debrecen
